## Homeowner Tip

You should carry insurance for your home. If you rent your unit to a tenant, it is also recommended that you require your tenants to carry renter's insurance. It's inexpensive and can save you thousands!

## EMERGENCY CONTACT NUMBERS

California Curb Appeal HOA Management is updating emergency contact numbers for Edgehill Village residents. It is VITAL for us to have a good contact number and email for you in case of emergency. If you did not receive the text message on 9/13, please email [edgehill@calburbs.com](mailto:edgehill@calburbs.com) with your name, unit number and correct cell phone number. You will only get a text in case of an emergency at Edgehill Village.

## HOA Board & General Meeting

If there is an issue that you would like to discuss with the HOA Board, you will need to attend the regularly scheduled monthly meeting. You may address your concerns with the Board and will be limited to 2 minutes in open forum.

Next HOA general meeting & executive session is on October 20, 2022

## EDGEHILL RESIDENT SURVEY

What is most important in your opinion?????

1. More trash cans around the complex?
2. More pet waste stations in the back units??

Please email Cal Curbs with your opinion.

**OTHER IDEAS ? – We are always listening!**

**Garages –** The doors are personal property and may be covered by each owner's homeowners insurance policy. The remaining portion is the owned by the HOA. Garages are not to be used for storage! They are to park cars.

Don't leave cans and bottles by the dumpsters. It just causes more of a mess and encourages others to dumpster dive.

Tree trimmers are hard at work, getting our interior trees trimmed. Please steer clear, and wave as you go by.

**Please pick up trash**
